

## **Antisocial activities in school/College campus are under constant observations of Police in Kottayam District**

Antisocial activities in school/College campus are under constant observations of Police in Kottayam District. Very recently, in order to identify drug abuse, many repeated checking were organized at medical shops situated near to educational institutions. So also the educational institutions and its premises are subjected for constant attendance of police team to identify other antisocial works including narcotic drug abuse and involvement of sex rackets. The internet café near to educational institutions were also checked persistently. They were strictly instructed to place CCTV cameras in the internet cafe. Similar work also continuing at Bakery & other shops near to College/School campus where free Wi-Fi facilities are given by them to students for attracting them in some illegal activities. In future, also, such constant efforts will be continued vigorously.
